

5 signs your business owns YOU.

(and not the other way around)

1

You can't switch off.

Two weeks away without checking in? Not a chance.

2

Every call is your call.

The team waits. Nothing big moves without you.

02

3

You don't know last month's profit.

Revenue, maybe. Actual profit? A guess.

03

4

Pricing lives in your head.

Not a model. Not a doc. Just vibes and memory.

5

If you stop, the money stops.

That's the definition of a job — not an asset.

3 or more?

Your business is a job in disguise.

Good news: every one of these is fixable.
